*HGMC2016/SUPERCHAIR*

---

*Superchair* is a multifunctional chair/workspace built by Cari Gonzalez-Casanova and Alain Bobineaud following the instructions in Ken Isaacs manual *How to Build your own living structure*, published in 1974. Excerpts of this manual, typical of the DIY manuals of the counter-culture movement in the US , are referenced in Cari Gonzalez-Casanova's artist book *Home Guard Manual of Camouflage* published in 2016.
