mfc-michèle didier

mfc-michèle didier is an independent publisher established in 1987 in Brussels, who produces and publishes original works by contemporary artists, creating an extensive series of works, such as artist's books, prints, installations, multiples, etc.

Since 2011, mfc-michèle didier gallery, located 66 rue Notre-Dame de Nazareth in Paris, gives the chance to present the publisher's productions and is a place of reflection on the artistic discipline of the artist's book. At the same time, it gives the opportunity to show the importance of ephemera and published, multiplied works in contemporary art.
